

Recruitment of Host City Candidates for the 20th Mayors Conference

A host city for the 20th WWCAM Mayors Conference to be held in 2022 has not yet been selected.

Hosting the WWCAM Mayors Conference is a golden opportunity to promote one's city to the world. Please consider applying.

Overview of the 20th Mayors Conference

- **Period**

2022 (Specific dates to be set by the host city)

- **Specifications of Hosting**

- Mayors Conference
- Winter Cities Forum (held at the discretion of the host city)
- Winter Cities Expo (held at the discretion of the host city)
- Other events decided upon by the host city (Citizens events or technical visits/tours)

- **Expenses**

The host city will bear all expenses. However, a financial assistance is provided through grants based on the WWCAM membership fees.

(60% of the income from Membership Fees for the WWCAM in the year leading up to and the year the Mayors Conference is held shall be distributed to the host city in the year the conference is held and the following year.)

【Host City Decision Process】

- After the Working-Level Officials Meeting, information on host city candidacy will be sent out again.
- Host city candidates shall give a presentation at the Rovaniemi Mayors Conference General Assembly.
- In the event there are multiple candidates, a vote will be conducted among participating cities at the General Assembly to select the host city.
